

Information on personal data processing for Clients

Pursuant to Articles 13 and 14 of Regulation 2016/679/EU (hereinafter "GDPR") FARMER S.P.A. (hereinafter "Data Controller") with registered offices in Porto Mantovano (MN), Via Don Bertoldi, 63 - 46047, in its capacity as "Data Controller", informs you that your personal data, collected for the purpose of concluding the contract with the Client and/or in the execution and/or stipulation of said contract, will be processed in compliance with the aforementioned legislation, to guarantee your rights, fundamental freedoms, as well as the dignity of individuals, with particular reference to privacy and personal identity. We inform you that if the activities outsourced to you provide for the processing of personal data of any third parties, as controller of their data it will be your responsibility to ensure that you have complied with the provisions of the legislation with regard to the Data Subjects concerned, in order to make their processing by us legitimate.

Source, purpose, legal basis and nature of the processed data

The processing of your personal data, directly supplied by you, is carried out by FARMER S.P.A. for the purpose of concluding the contract with the Client and/or in the context of execution and/or stipulation thereof.

Furthermore, processing of the personal data of third parties, provided by the Client to this Company, may be possible. With respect to this possibility, the Client acts as an independent data controller and assumes the consequent legal obligations and responsibilities, thus exonerating this Company with respect to any dispute, claim and/or request for compensation for processing damage that may be received by the Company from the third parties concerned.

In compliance with current legislation on the protection of personal data, and without the need for specific consent from the Data Subject, the Data will be stored, collected and processed by the Company for the following purposes:

- a) fulfilment of contractual obligations, execution and/or stipulation of the contract with the Client and/or management of any pre-contractual measures;
- b) fulfilment of any legal obligations, of fiscal and tax provisions resulting from performance of the business activity and obligations relating to administrative and accounting activities;

The legal bases of processing for the purposes a) and b) above, are articles 6.1.b) and 6.1.c) of the Regulation.

The provision of Data for the aforementioned purposes is optional, but failure to provide your Data and the refusal to supply them would make it impossible for the Company to execute and/or enter into the contract and provide the services required by the same.

We remind you that for processing carried out for the purpose of sending direct advertising material or for making direct sales, or for carrying out market research or commercial communications in relation to products or services similar to those used by the Client, the Company may use email addresses or personal data in accordance with, and within the limits of, art. 130, paragraph 4 of the Code and, in accordance with the provision of the Data Protection Authority, of June 19, 2008, even in the absence of express consent. The legal basis for data processing for this purpose is art. 6, paragraph 1, letter f) of the GDPR, without prejudice to the possibility of opposing such processing at any time, by following the indications provided in the section "Rights of the Data Subject" of this Information.

Communication

Your data may be communicated to third parties appointed as data processors pursuant to Article 28 of the GDPR and, in particular, to banking institutions, companies working in the insurance sector, providers of services that are strictly necessary for performing business activities, or to consultants of the company, if necessary, for fiscal, administrative or contractual reasons, or for needs protected by current regulations.

Your personal data, or the personal data of third parties controlled by you, may also be communicated to external companies, identified from time to time, to which FARMER S.P.A. entrusts the execution of obligations deriving from the assignment received, and to which only the data necessary for the activities requested will be transmitted. All employees, consultants, temporary workers and/or any other "individual" who, authorised for data processing, carry out their activity on the basis of the instructions received from FARMER S.P.A., pursuant to art. 29 of the GDPR, are appointed "Data Processors" (hereinafter also "Processors"). The Processors or persons in charge of processing that may be appointed by FARMER S.P.A. are given adequate operating instructions, with particular reference to the adoption of, and compliance with, security measures, to guarantee the confidentiality and security of data. With reference to the aspects of protection of personal data, the Client is invited, pursuant to art. 33 of the GDPR, to report to FARMER S.P.A. any circumstances or events from which a potential "breach of personal data (data breach)" may arise, in order to allow for immediate assessment and the adoption of any actions aimed at countering this event. Any communication can be sent to FARMER S.P.A. at the contact addresses below.

Your Data will not be disclosed.

FARMER S.P.A.'s obligation to communicate your data to Public Authorities, upon their specific request, remains.

Transfer of data abroad

Transfer of your personal data abroad may occur if it is necessary for the management of the assignment received. For the processing of information and data that may be communicated to these subjects, levels of protection that are equivalent to those adopted to process their staff's own personal data will be required. In any case, only the data necessary for the pursuit of the intended purposes will be communicated and the regulatory instruments foreseen by Chapter V of the GDPR will be applied.

Data processing methods and period of retention

Your data are collected and recorded in a lawful and correct manner, for the purposes indicated above and in compliance with the principles and requirements of art. 5 c 1 of the GDPR.

Personal data processing is carried out using manual, computerised and telematic means with logic that is strictly related to the actual purposes and, in any case, in such a way as to guarantee the security and confidentiality of the data.

Your personal data will be processed by FARMER S.P.A. for the entire duration of the assignment and also subsequently to assert or protect their rights or for administrative purposes and/or to execute obligations deriving from the legislation and regulatory framework applicable at the time and in compliance with the specific legal obligations on the retention of data.

Rights of the data subject

In compliance, within the limits and under the conditions established by the legislation on personal data protection, regarding exercising the rights of Data Subjects, as far as the processing herein is concerned, as a
